Links with Latin

Some European modern languages have words derived from Latin which look so much like the Latin that you can understand them. Match Latin words in the list below with their French, Italian and Spanish versions and write them in the box; then put the English meaning in the other box. You will not use all the Latin words in the list.

ego respondeō	ego accūsō	ego dēbeō	ego portō	ego vēndō
tū respondēs	tū accūsās	tū dēbēs	tū portās	tū vēndis
